2nd Annual Report

ANNUAL REPORT 2012

Sheriff's Office

Story County
PAUL H. FITZGERALD, Sheriff

Emergency 911 • Office: 515-382-6566 • Fax #: 515-382-7479 • P.O. Box 265 • Nevada, Iowa 50201

Dear Story County Citizens:

I am pleased to provide to you our second annual Story County Sheriff's Office Annual Report. It is my goal to enlighten and update our citizens as to the Story County Sheriff's Office activities over the last year and highlight the services we offer. My intent by sharing our statistics is to be able to create a clear picture of what we together, as a community face, as well as showcase the sheriff's office proactive approach to fighting crime and providing service to the citizens in Story County.

In the 2012 Annual Report you will find our budget and statistical information, highpoints and snapshots of some of the updates we've experienced over the past year. One major advancement was the implementation of the multi-agency (Story County Sheriff's Office, Ames Police and ISU Police) public service network's new Computer Aided Dispatch (CAD), Records Management System (RMS), and Jail Management System (JMS) software. The upgrade included the addition of the Mobile Data Terminals (MDT) to the marked patrol vehicles. Another progressive enhancement was the addition of a staff person as the Jail Based Case Manager/Treatment Program Coordinator for our jail diversion/mental health program and the REACH (Recovery through Evaluation & Action for Change and Hope) program.

This annual report provides me an opportunity to let the citizens know what their sheriff's office is about and showcase some of our accomplishments. My goal is to inform the citizens about the proactive programs being offered in the jail and other areas of the sheriff's office.

I appreciate you taking the time to review our publication and hope you find the annual report informative. As our mission statement reflects: ***It is our mission at the Story County Sheriff's Office to ensure public safety through the implementation of professional and proactive law enforcement services and to build trust by maintaining the highest standards of performance, integrity, and ethics.*** Thank you for the opportunity to serve the citizens of Story County.

Sincerely,

Paul H. Fitzgerald
Story County Sheriff

Community College), earned his obtained from St. Ambrose University.

STORY COUNTY SHERIFF'S OFFICE
Paul H. Fitzgerald, Sheriff
February 13, 2013
Organizational Chart
83.5 Authorized Employees

Story County Sheriff's Office Mission Statement

Our Mission Statement is proudly displayed in the main lobby of the sheriff's office and it reads as follows:

The mission of the Story County Sheriff's Office is to ensure public safety through the implementation of professional and proactive law enforcement services and to build public trust by maintaining the highest standards for performance, integrity, and ethics.

Sheriff's Office Goals

2012 SHERIFF'S OFFICE GOALS:

Safety: The Story County Sheriff's Office shall provide quality services that ensure the safety and security of the public and all sheriffs' office personnel.

Community Partnerships: The Story County Sheriff's Office shall be proactive in establishing community partnerships with local businesses, government entities, and community shareholders in an effort to solidify the public trust in the office.

Fiscal Responsibility: The Story County Sheriff's Office will operate within its established and approved budget and will continue to provide quality services in the most cost effective manner possible. In addition, due to the tough economic times facing Story County; the sheriff's office will continually search for cost savings in every aspect of the way business is conducted.

Employee and Leadership Development: Employees of the Story County Sheriff's Office shall be empowered to perform their duties as neces-

sary through knowledge gained by quality training, professional experience, and supervisory feedback.

Diversity: The Story County Sheriff's Office shall recognize the diversity in our community and embrace it through aggressive recruiting efforts and staff training.

Technology: Employees of the Story County Sheriff's Office will recognize the importance of technology to the success of the agency's mission and will proactively seek technological equipment that can be obtained in

a fiscally responsible manner.

Equality: The Story County Sheriff's Office will promote equality throughout the entire office and across all divisions within the agency. It is recognized that all divisions are equally important to the success of the sheriff's office in ensuring the welfare and public safety of the citizens of Story County.

Division Goals

Field Services Goals :

1. Contribute to "creating a better quality of life" for residents, visitors, and guests to Story County through proactive policing with a community orientation.
2. Provide quality and efficient service to Story County through the use of new technology and technological advances and encourage ownership of our policing efforts by all officers.
3. Provide impartial assistance to the citizens of Story County and other law enforcement agencies, that affect the protection and defense of people's rights, safety, and welfare when observed or requested.
4. Maintain effective coordination between the sheriff's office and other agencies in the criminal justice system to ensure impartial and effective enforcement of both civil and criminal law.

Support Services Goals:

1. Create and maintain streamlined documents with the Records Management System (RMS).
2. Develop plans for computer statistical analysis to incorporate UCR/Incident report data into an investigative/field service resource on crime patterns.
3. Professional development through precise training in specific and specialized assigned duties.
4. Develop and maintain a "Story County Sheriff's Office Alliance" to promote continued relationship with retired sheriff's office employees.
5. Target in-service training to address overarching themes and promote long-term staff development.

Jail Division Goals:

1. Our mission is to ensure safety by controlling and managing inmates in a safe, humane, cost-efficient manner, consistent with sound correctional principals, and constitutional standards.
2. Our goal is to operate and manage the Story County Jail in compliance with Federal, State, and local laws, and the mission statement of the Story County Sheriff's Office.
3. It is our goal to promote and follow the "Six Pillars of Character" approach to character development throughout the Jail Division to foster a safe environment within the jail in which staff and inmates can grow and develop professionally and personally.

Communication Division: Goals:

Our mission is to provide prompt and efficient response to calls for service by linking the public with emergency service providers. We are committed to achieving our mission through responsiveness, professionalism, and collaborative partnerships with user agencies.

Goals:

1. Promote public safety and confidence through professional and proactive service.
2. Improve efficiency, confidence, and responsiveness through solicitation of feedback and timely corrective actions.
3. Incorporate a variety of training strategies to address staff needs and encourage collaborative partnerships with user agencies and the community.
4. Encourage professional development with a plan for implementation.

Sheriff's Office News and Highlights

RETIREMENTS, NEW HIRES, AND PROMOTIONS:

- ♦ Sgt. Jennifer Holmes retired from the Story County Sheriff's Office in January 2012, after 22 1/2 years of service, serving as a deputy sheriff since 1991.
- ♦ Detective Laura Judge separated her employment in February 2012 to pursue her career in the private sector after 11 years of service.
- ♦ In April, Jamie Schmitz was appointed a deputy sheriff. Jamie had served as a detention officer with our office since 2007. Deputy Schmitz attended the Iowa Law Enforcement Academy graduating in July 2012.
- ♦ Deputy Gary Backous was promoted to Sergeant and assigned to Support Services Division with our office. Deputy Backous began his career as a detention officer with our office in 2003 being appointed to a deputy sheriff in 2005 and promoted to Sergeant January 2012.

♦ Story County Sheriff Office, along with other law enforcement, fire, and emergency services agencies throughout Story County have joined efforts to enacted a Multi-agency Chaplain Program to provide our public safety personnel with support.

♦ **A.L.I.C.E** The Story County Sheriff's Office has been active in providing education and training for schools, churches, county offices, and business, etc. The training is titled A.L.I.C.E. Alice stands for Alert, Lockdown, Inform, Counter, and Evacuate. (See more information about A.L.I.C.E on page 13)

(Photo: A.L.I.C.E presentation Colo-Nesco Community School, pictured is Sgt. Shawn Slezak and Colo-Nesco Student)

♦ A Child Is Missing Alert Program (ACIM) - The Story County Sheriff's Office is proactive in having a protocol in place should a child go missing. By contacting ACIM in the case of a missing or abducted child, or any one missing with physical or mental challenges, elderly (often afflicted with Alzheimer's or dementia) or missing college students, we have the ability send 1000 telephone alerts in 60 seconds. By providing the person's description, location information and any pertinent information to ACIM, they record an alert which is phoned out to the area where the missing person was last seen. This program is grant funded and there is no cost to Story County to participate.

New Detention Officers hires:

- ♦ Trevor McGraw — May 2012
- ♦ Russell Bauer — May 2012
- ♦ Karen Bell — September 2012
- ♦ Kylee Harrill — September 2012
- ♦ Abigail Brend—October 2012

New Telecommunicator hires:

- ♦ Marylin MacVey—September 2012

New Hire for Jail Based Case Manager/Treatment Program Coordinator :

- ♦ Amy Peters - November 2012

- ♦ New Mobile Data Terminals added to patrol vehicles .

Photo: Mobile Data Terminal (MDT)

NEWS:

- ♦ **1st Annual Jr. Citizens Academy** was held June 23rd-Aug 4th. (More information provided on page 12.)
- ♦ **New CAD, Records Management and Jail software** was implemented in June. (See more information Support Services page 9, Jail page 15, and Communications page 16.)

- ♦ Addition of a Jail Based Case Manager/Treatment Program Coordinator for the Story County Jail. (See more information on page 15)

NOTE:

Employment Opportunities:
When job openings become available with the sheriff's office they are posted on the Story County, IA website under employment (www.storycountyiowa.gov)

If you would like to be notified of any future job postings, go to the Citizen Help Center on the Story County Website and click on "Notify Me "
and you will be notified of any job opportunities when they become available.

Story County is an Equal Opportunity Employer

Administration

Sheriff Paul H. Fitzgerald
Capt. Barry M. Thomas - Chief Deputy
Jane Page – Administrative Assistant/Budget Supervisor

The Administration Team is made up of the Sheriff, the Chief Deputy and the Administrative Assistant/Budget Supervisor. The primary focus of the Administrative Team is to set the direction and mission of the Story County Sheriff's Office and to ensure that professional and proactive law enforcement services are rendered to the citizens of Story County.

This is accomplished by; managing eighty-four (84) employees, twenty-five (25) Sheriff's Reserve positions, eight (8) dive team members and one hundred thirty (130) volunteers, creating and implementing policies and procedures, handling human resource issues, overseeing the testing and hiring of new employees, conducting internal affairs

investigations, receiving and processing internal grievances, developing and overseeing the sheriff's office budget, approving all budget expenditures, media relations, and working directly with communities to meet their law enforcement needs.

Through the last year we have been working on converting Sheriff's Office Policies and Procedures into a digital format. It is our mission to make available to all staff the guidelines that have been developed to ensure public safety through the implementation of professional and proactive law enforcement services and to build public trust.

Through the development of Story County Iowa's new website

(www.storycountylowa.gov) we have been able to provide means for the public to submit a confidential tip to Story County Crime Stoppers through a link provided on the website that connects directly to the Story County Crime Stoppers site. The Story County Crime Stoppers is a non-profit organization that works closely with the local law enforcement. Their program is designed to solve crime with the help of concerned citizens. (See page 27)

Sheriff Fitzgerald believes in transparency throughout his office, for staff members and the citizens of Story County.

Professional Organizations

Professional Organization Affiliates:

- ♦ **NSA** (National Sheriffs' Association)
- ♦ **ISSDA** (Iowa State Sheriffs & Deputies Association)
- ♦ **FBINAA** (FBI National Academy Associates)
- ♦ **AJA** (American Jail Association)
- ♦ **IACP** (International Association of Chiefs of Police)
- ♦ **Midwest Association of Technical Accident Investigators**
- ♦ **National Association of Field Training Officers**
- ♦ **MOCIC** (Midwest Organized Crime Information Center)
- ♦ **APCO** (Association of Public-Safety Communications Officials)
- ♦ **NENA** (National Emergency Number Association)
- ♦ **International Association of Firearms Instructors**
- ♦ **National Tactical Officers Association**

The NSA provides trainings and a nationwide network to improve public safety. Some of the benefits Story County has received from the NSA association is VINE (Victim Information Notification Everyday). Story County was given the opportunity, at no cost, to be the pilot site in Iowa for this program in 2004. And with Sheriff Fitzgerald's leadership, it was proposed to the State of Iowa and adopted statewide in 2006. In 2008 we were also the pilot site for the NPLEX program formerly known as MedCheck, a vital law enforcement tool in the fight against drugs and "smurfing" (going to multiple pharmacies to buy pseudoephedrine). This program, with Sheriff Fitzgerald's promotion, was also adopted statewide.

ISSDA offers resources and trainings at reduced or no fee to our employees which, in turn, enhances our level of professionalism. The association also pays for one child from each of the ninety-nine counties to attend the YMCA camp for one week. Our office has been an active participant in this opportunity for decades. The selection process is done on a rotating basis in coordination with the counselors of the schools in Story County.

The sheriff's office currently has five members who are graduates of the FBI National Academy. Another example of our continued efforts to provide the best available training to our staff.

Story County Sheriff's Office and the citizens of Story County continue to reap the benefits from our association with many professional law enforcement organizations.

From our mission statement:
 "Implementation of professional and proactive law enforcement services"

Support Services Division

Commander Lt. Don Ellis

Sgt. Gary Backous

Deputy Sheriff Craig McKinney

Deputy Sheriff Mike Waldbillig

Financial Data Manager: Constance Toresdahl

Office Services Technician: Lori Smith

Office Services Technician: Jaime Johnson

Office Services Technician : Jan Chance

The Support Services Division is responsible for receiving, processing and serving civil and criminal court orders and legal documents. Civil Process Servers are responsible for service of the papers for the division. Types of civil, criminal and legal documents served by the Support Services Division include: original notices, notices, subpoenas, court orders, executions, warrants, summons, writs and other miscellaneous documents. The revenue generated for the civil process service in the Fiscal Year 12 was \$143,456.16.

Other responsibilities of the Support Services Division include the issuance of weapon permits, sex offender registry, processing requests for motor vehicle crash reports, Iowa driver's license records and criminal history checks.

The Support Services Division also coordinates the training and education for the staff at the sheriff's office as well as the presentation of the annual junior and adult citizen's academies.

2012 was a very busy year for the staff in the Support Services Division. They were busy with the Electronic Document Management System (EDMS), an upgrade to the civil process software and a new multi agency Records Management System (RMS).

EDMS was implemented by the State Judicial Branch to interface with the existing Iowa Court Information System structure and allow for case and document management to be done within the current system. It allows law enforcement, attorneys and citizens to electronically file court documents with the Judicial Branch via the internet. It

also allows the judges to view cases on the bench and to create, sign, and file orders in real-time. EDMS integrates with the Iowa Court Information System, enabling electronic access to authorized parties via the Internet to the court docket and documents 24 hours a day, seven days a week. In addition court notices can be e-mailed to officials, attorneys, and litigants.

In 2012, the sheriff's office completed an office wide software upgrade. This upgrade included a Records Management System (RMS). The RMS is also a multi-agency public service network (sheriff's office, Ames Police Department and ISU Police) system. This system allows data sharing between the agencies, digital scanning, and includes many enhancements.

Gun Permits:

The Story County Sheriff's Office procedure for issuing weapon permits is as follows:

All applications for weapon permits must be made in person at the Story County Sheriff's Office.

Applicants will not leave the office with a permit to carry weapons in hand as processing may take up to thirty (30) days.

Permits to acquire weapons will be issued at the time of application, unless the applicant is disqualified. Permits to acquire will not be valid for three days.

Appropriate training certificates or a certified qualification score (in the case of a renewal) must accompany the applicant at the time the application is

being made.

When an approved application has been signed by the Sheriff or his Chief Deputy, the applicant will be notified the permit is ready to be picked up.

If an application is denied due to a disqualifier(s), the Sheriff will notify the applicant in writing of the reason(s) for the denial.

The cost of both the professional and non-professional permits to carry is \$50.00. The professional permit to carry is valid for one year and the non-professional permit to carry is valid for five years. Both renewal and duplicate permits to carry are \$25.00.

The cost of a permit to acquire is \$10.00 and is valid for one year.

Questions regarding weapon permits may be directed to the Support Services Division by calling 515-382-7461 (see statistics on page 20)

Photo: Support Services staff (Back row: Lt. Don Ellis, Sgt. Gary Backous, Constance Toresdahl, Financial Data Manager, Deputies Craig McKinney and Mike Waldbillig, front row Lori Smith, Records Management, Jaime Johnson, Civil Process, Jan Chance, Gun Permits and Customer Service)

Support Services Division

Sheriff's Reserves Unit

The Story County Sheriff's Reserve Unit is a volunteer organization that provides assistance and service to the Story County Sheriff's Office and the citizens in Story County.

The Sheriff's Reserve Unit is a highly trained, professional unit that exceeds the certification requirements of the Iowa Law Enforcement Academy. Reserve deputies provide law enforcement services for special events, provide law enforcement duties when under contract through a sheriff's office service agreement for private organizations/individuals, and while on duty, function in the same capacity as a regular full time deputy sheriff.

In 2012 reserve testing was held to compile a list of eligible persons for the reserve deputy position. The final interview process was held the first of the year 2013, and it is our proposed plan to add an additional eight (8) reserve officers in 2013.

Reserve officers are required to volunteer 180 hours a year with the combination of duty, ride, activity, or training time. Senior reserve deputies are required to have 100 hours a year.

The persons of the Reserve Unit volunteered 2,221 hours in 2012. Those hours being equivalent to a little more than one full time deputy sheriff. They are an immeasurable resource for the sheriff's office.

Story County Sheriff's Reserve Unit Members: Chad Fleener, Reserve Captain; Carrol McCracken, Reserve Lieutenant; James Egeland, Reserve Sergeant; and Reserve Deputy Sheriffs Heath Hill, Joel Leyh, Tim Schroeder, Jordan DeZeeuw, Rick Weeks and Brian Carr.

A big thank you to all the members of this fine unit.

Photo: Shop with A cop—Story County Sheriff's Office Reserve Capt. Chad Fleener pictured with Santa.

SHOP WITH A COP, reserve officers, deputies and jail staff from the sheriff's office, and officers from Ames Police Department, ISU Police, Nevada Police, and the Huxley Police volunteer to host youths from throughout Story County for a day of fun that includes lunch and shopping. (Fundraisers are held throughout the year to fund this program.)

Dive Team

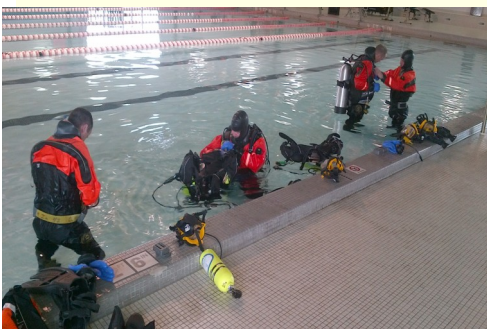

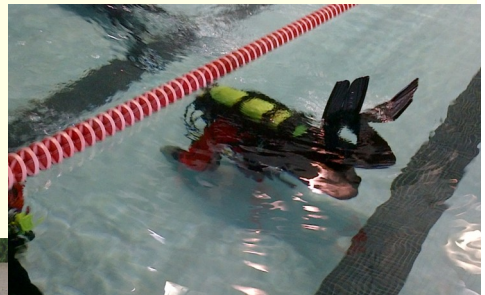

The Story County Sheriff's Office Dive Team is a volunteer organization that provides water rescue, underwater search and recovery, and underwater investigative services to the citizens in Story County.

Composed of highly-skilled SCUBA divers who are mentally and physically prepared to respond to water related incidents under dangerous environmental conditions, the team is committed to the preservation of life, collection of evidence, recovery of property, and education of the public on water safety.

Dive team members are required to train 8 hours per month with a total of 96 hours of on going training per year.

Dive Team members: Lt. Donald Ellis, Commander; Sgt. Gary Backous, Dive Team Supervisor; Deputy Aaron Kester, Dive Team Coordinator; Deputies Kyle Thompson and James Schroeder; Detention Officers Karissa Tande, Mike Peck and Rodney Briggs; volunteer members Jeff Irvin and Dustyn Turner.

Thank you team members for your dedication in your training and service.

Story County Sheriff's Office

Dive Team

Support Services Division

Volunteers

The volunteer program is continually growing. We currently have 141 volunteers registered with our office. That number includes the members on the dive team and Sheriff's Reserve.

The volunteers at the Story County Sheriff's Office perform important tasks in the various divisions of the sheriff's office. Volunteers also do a menagerie of duties; secretarial duties, citizen academies, volunteering at the firing range under Support Services, secretarial with the Drug Task Force, jail visitation, life skills in the jail as well as the various religions affiliations providing religious instruction and services.

These loyal, dedicated men and women give numerous hours of their time to the Story County Sheriff's Office and the citizens of Story County. The total number of hours the volunteers donated to the Story County Sheriff's Office in 2012 was 7,044 hours, equivalent to 3.39 full time employees. In 2011, the volunteers gave 6571 hours of service, equivalent to 3.16 full time employees.

Kudos to all the volunteers who have and are currently working at the Story County Sheriff's Office.

EMERGENCY PHONE BANK

Coming in the near future we will be initiating a plan to use volunteers in an emergency/crisis situation to assist in manning our emergency phone bank operation. (i.e.: missing child, weather related disaster, etc.) In a time of crisis there are several roles to fill in manning an emergency phone bank center and we are developing a protocol that will provide coverage over an extended period of time if needed. In spring of 2013

we will be conducting training for the sheriff's office staff and the volunteers who are interested in helping.

In recognition of our volunteers the sheriff's office hosts an appreciation dinner for them. At the dinner the members are recognized for their hours and years of volunteering with our office. This small gesture is to thank them for their dedication and service.

Photo: Volunteer Banquet

If you are interested in becoming a VOLUNTEER please contact our office.

Number of Volunteer Hours

Dive Team:	717	Hrs.
Citizens Academy:	227	Hrs.

Thank you to R.S.V.P. (Retired Senior Volunteer Program) for their partnership in providing outstanding volunteers with specific skills

**Thank you to all the generous people who volunteer.
Your generosity of the giving of your time and knowledge is immeasurable.**

Support Services Division

Citizen's Academy

The Story County Sheriff's Office conducts an annual Citizen's Academy to educate and promote a better relationship between the Story County Sheriff's Office and the community it serves.

The academy meets one evening a week where participants learn about the Story County Sheriff's Office and what it takes to provide law enforcement services to the citizens of Story County. There is no cost to attend the Story County Sheriff's Office Citizen's Academy.

This 10 week course consists of classroom and field sessions with presentations being given from Administration, Support Services, Field Services, Communications and the Jail Divisions.

Topics include firearms, traffic safety, accident investigation, emergency vehicle operation, drug investigations and much more. Students will also have the opportunity to ride along with a deputy and spend time on the firing range.

The instructors at the academy are comprised of Story County Sheriff's Office staff and outside personnel. The instructors will describe the functions of their position and will be available to field any questions that may arise.

Upon completion of the course, a graduation ceremony is held for the members of the Citizen's Academy.

The academy is but one of many ways

our deputies and civilian employees interact and work with the members of our community to help make Story County a safe and friendly place to live.

Applications for the Citizen's Academy are solicited in the month of January with classes beginning the middle of March.

Jr. Citizen's Academy

In 2012, the sheriff's office conducted our first annual Story County Sheriff's Office Junior Citizen's Academy. This academy is aimed at participants ages 13-17. This forum is designed to educate and promote a better relationship between the Story County Sheriff's Office and the young people in the communities it serves.

The academy meets on Saturday mornings (9:00 a.m. - 12:00 p.m.) for a five week period. The participants learn about the Story County Sheriff's Office and what it takes to provide law enforcement services to the citizens of Story County. There is no cost to attend the Story County Sheriff's Office Junior Citizen's Academy.

The three hour sessions consist of classroom presentations given by Administration, Support Services, Field Services, Communications and the Jail Divisions.

Topics include ethics, patrol operations, investigations, dive team operations, firearms safety, hostage negotiations, and much more.

The instructors at the academy are comprised of Story County Sheriff's Office staff and outside personnel. The instructors will describe the functions of their position and will be available to field any questions that may arise.

Upon completion of the five week course, a graduation ceremony is held

for the members of the Junior Citizen's Academy.

The academy is but one of many ways our deputies interact with young people to educate and foster a cohesive relationship for their future and success.

Applications for the Story County Sheriff's Office Junior Citizens Academy are solicited in the month of April with classes beginning the first part of June.

Come join us
NEXT SESSION !

**Citizen's Academy will be conducted early spring
and
Jr. Citizen's Academy in June**

Field Services Division

Commander: Lt. Jeff Dodds

Patrol Division

First Shift Supervisor
Sgt. Randy Mortvedt

Second Shift Supervisor
Sgt. Shawn Slezak

Third Shift Supervisor
Sgt. Leanna Ellis

Deputy Aaron Kester
Deputy Brian Tickle
Deputy Nicholas Lennie
Deputy Bret Johnson
Deputy Elizabeth Quinn

Deputy Jason Grubbs
Deputy Jeff Scott
Deputy James Schroeder
Deputy Nick Hochberger
Deputy A.J. Christian

Deputy Joel Navratil
Deputy Dillon Combs
Deputy Jamie Schmitz
Deputy Kyle Schultz
Deputy Andrew Boeckman

The Patrol Division of the Story County Sheriff's Office plays a critical role in the law enforcement duties provided by the sheriff's office. Deputies are the first to respond and handle a variety of emergency and non-emergency situations. Fifteen deputies and three sergeants staff three shifts to ensure 24/7 patrol coverage for the nine contract towns and rural areas of the county. In addition to answering calls for service and routine patrol, deputies assist with the serving of civil notices, community policing functions and the ever-increasing number of court-ordered mental health committals. The men and women of the Patrol Division are dedicated to providing professional and quality services to the citizens of Story County.

The Story County Sheriff's Office, along with Ames Police Department and ISU Police, have a multi-agency agreement that allows for the sharing of information and records. By using the same software provider, we are able to share information. In June of 2012, the multi-agency public service network upgraded their computer software. This upgrade now affords the patrol deputies the technology of Mobile Data Terminals (MDT). This technology provides the ability to officers in the field to run wanted checks, driver's license checks, vehicle license plate checks as well as being able to file affidavits and reports from the computer terminal in their

patrol vehicle. This decreases the demand of the officer's time at the office and increases their time on patrol.

ACTIVE SHOOTER EDUCATION

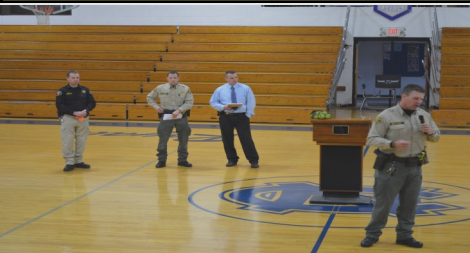

Photo: A.L.I.C.E. presentation Colo-Nesco Schools, Sgt. Shawn Slezak, Deputies Nicholas Lennie, Anthony Rhoad and Assistant Jail Administrator, Micah Andersen

A.L.I.C.E. Story County Sheriff's Office has been active in providing education and training for schools, churches, county offices, and business, etc. on a safety program called A.L.I.C.E. Alice stands for Alert, Lockdown, Inform, Counter, and Evacuate.

1.) Alert — Call 911: Don't assume others are contacting law enforcement. Give as clear and accurate information as possible that will answer the vital questions of who, what, when, where, and how.

2.) Lockdown — Shelter in Place: By locking down and barricading entry points, you are making yourself a hard target. Locked down does not mean locked in. You may choose to barricade the door and exit out windows to safety.

3.) Inform — Constant, Real-time Updates: This can be accomplished with things such as video surveillance equipment or public address systems. Information updates during a violent intruder incident allows occupants to make sound decisions about how to react and what steps, if any, to take next.

4.) Counter the Attack — A last resort: when other options are not immediately possible (a locked/lockable door does not exist or the intruder breaches a secured room) move, make noise, and get distraction devices (anything at hand) in the air and heading for the shooter's face. Then you may attack or evacuate the area.

5.) Evacuate — Get Out: Your goal here is to put as much time and distance as possible between you and the attacker.

Field Services Division

Commander: Lt. Jeff Dodds

Investigations

Sgt. Rodney Bunn

Detective Anthony Rhoad

The Investigations Division of the Story County Sheriff's Office investigates all crimes with the exception of drug offenses committed in Story County. Since crime has no jurisdictional boundaries, we pride ourselves with our working relationships with other law enforcement agencies. The investigators are active members of Iowa Law Enforcement Intelligence Network and Mid State Organized Crime Information Center (MOCIC), which are vital in exchanging information throughout the Midwest, as well as across the nation.

The Investigations Division of the Story County Sheriff's Office is also responsible for the management of the evidence seized in Story County by the sheriff's office, Story County Conservation and the Iowa Division of Narcotics Enforcement. In 2012, the new multi-agency public service network computer soft-

ware upgrade provided a new evidence module. Through bar coding it improves the inventorying, storing, and tracking of all evidence received by the sheriff's office. This advancement enhances the process and better ensures a true accounting for the most secure chain of custody of evidence at the sheriff's office.

The Investigation Division continues to be aggressive in solving a variety of crimes. And as always, service to the residents of Story County remains their focus.

Don't Be A Victim

Here are a few helpful hints on how not to be a victim.

PHONE SCAM: To avoid being a victim of phone solicitations:

HANG UP IF.....

- you don't know the person to whom you are talking.
- an unknown caller asks you for your Social Security Number, credit card numbers, bank account numbers or date of birth. (Never give personal information via phone.)
- you receive a call asking you to provide personal information to win a prize.
- you are called and asked to verify information about your credit cards. (If the caller claimed to be a bank representative, hang up and call your bank directly using a valid number from a telephone book or the bank's web site.)

Central Iowa Drug Task Force

Sgt. Scott Kickbush

Deputy Kyle Thompson

Central Iowa Drug Task Force (CIDTF) is a multi-jurisdictional task force covering Story, Boone, and Greene counties under the direction of the Story County Sheriff's Office. Full-time members include the Story County Sheriff's Office, Ames Police, ISU Police, Story County Attorney's Office, Boone County Sheriff's Office, Boone Police Department, Boone County Attorney's Office, Iowa Division of Narcotics Enforcement, and the Iowa National Guard. Numerous other law enforcement agencies in the three counties serve as part-time members.

Story County has two full-time deputies assigned to the task force, their posi-

tions are funded through a grant from the Governor's Office of Drug Control Policy. The sergeant assigned to the task force coordinates and supervises all task force activities and maintains the funding grant.

Officers from the CIDTF continue to see :

An upsurge in high grade marijuana coming into the state from states that have legalized it or have medical marijuana dispensaries; this has been on the rise for the last several years. The majority of marijuana being seized is coming from the state of Colorado by vehicle or shipped by mail or other shipping companies.

Methamphetamine is still a large problem and continues to be manufactured using the "one pot" method. Small labs continue to be on the rise in this area with cooks using multiple individuals to purchase pseudoephedrine for them.

Methamphetamine ICE smuggled from Mexico is on the upsurge and has been for the last several years.

Heroin's popularity continues to climb and is making a comeback in Iowa. Officers have seen an increase in heroin usage and dealers over the last several years.

Office Services Technician: Nancy Denekas
Jail Diversion Program Manager: Amy Peters

In 2012, the Story County Jail recorded yet another increase in the processing of inmates into and out of the jail. The jail booked in 3,869 inmates and released 3,874 for a total of 7,743 inmates processed in 2012 compared to the 7,644 inmates processed in 2011. The average daily population of inmates in the jail for 2012 was 79.9 inmates.

In 2012 the Story County Jail saw:

- ♦ A Jail Based Case Manager/ Treatment Program Coordinator was added to the sheriff's office staff to manage the Jail Diversion Program which combines the mental health Jail Diversion and substance abuse REACH (Recovery through Evaluation & Action for Change and Hope) treatment programs. The focus of the new program coordinator is to provide support and treatment to inmates with

mental health and/or substance abuse issues that present a high risk to reoffend with criminal activity when they are released back into the community.

The ultimate goal is a successful transition by inmates from the jail back into the community.

- ♦ The multi-agency public service network (sheriff's office, the Ames Police Department, and the Iowa State University Police Department) went live with a shared public safety software system that had been in planning and development since 2009. This system allows all three agencies to share and use information collected and created in a centralized database. The Jail Management System portion of the new system will increase the accuracy and efficiency of day-to-day jail operations and maintain easily

accessible data on inmates from booking to release. It allows the scanning and storing of court orders and other documents now generated through the EDMS (Electronic Document Management System) imposed by the courts.

As you may know, the website's inmate roster was down for approximately two months while the jail conversion to the new software was taking place. As of February 14, 2013 the inmate roster is again available on the Story County, IA website under sheriff's office.

Communications Division

Commander: Dina McKenna

Communications Operations Manager: (vacant)

Communications Supervisor (vacant)

Telecommunicators: Nic Briseno, Colin Chinery, Joan Hinders, Marcene Hunter, Jerri Levri, Marilyn MacVey, Stephanie Memmer, Nancy Schultz, Janet Stoll, and Ryne Weeks

The Communications Division consists of ten (10) telecommunicators supervised by an Operations Manager and commanded by Dina M. McKenna. The communications center is the primary answering point for law enforcement, fire, and medical calls in the 576 square mile county.

In 2012, the multi-agency public service network (Story County Sheriff's Office, Ames Police Department and ISU Police Department) saw the implementation of the new Computer Aided Dispatch (CAD), Records Management System (RMS), and Jail Management

System (JMS) software system. In June 2012, the three year software research to update the antiquated shared system came to an end with all three agencies going live with the new CAD software.

This new system includes the addition of Mobile Data Terminals (MDT) for the marked patrol vehicles and Automatic Vehicle Locator (AVL) capabilities. It improves information sharing among the three agencies and augments ease of interoperability among the agencies.

In 2012, the console base radio equipment in each of the three multi-agency

communication centers was upgraded. The new base radio upgrade enhances the paging capabilities of all emergency responders. It allows multiple paging of emergency personnel and sounding sirens with a push of a button. The new base radios also accommodate wireless headsets for the telecommunicators which allows them remote access rather than being tethered to the radio console.

These enhancements exemplify our mission to ensure public safety through the implementation of professional and proactive law enforcement services.

The Future of Communications:

In the future, first responders nationwide; state, local, and tribal, will see vast changes in how we will be able to communicate.

The Story County Sheriff's Office is honored to be active in the development of this nationwide development. Sheriff Fitzgerald and Communication Commander Dina McKenna sit on both state and national boards that will be instrumental in the development and design of the new technology.

Communication Commander Dina McKenna serves as the Chairperson on the Iowa Statewide Interoperable Communications System Board (ISICSB). ISICSB is a statewide board composed of members from many regions and levels of local, county, and state public safety entities. Its mission is to develop, implement, and oversee policy, operations, and fiscal components of communications interoperability efforts at the state and local level, and coordinate with similar efforts at the federal level, with the

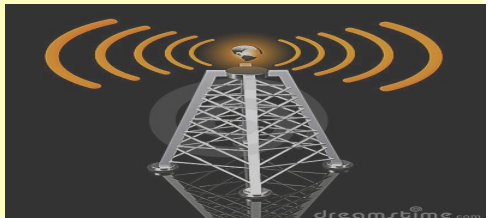

ultimate objective of developing and overseeing the operation of a statewide integrated public safety communications interoperability system.

Sheriff Fitzgerald was appointed by the United States Secretary of Commerce as a member of the FirstNet Board. FirstNet is an independent authority within the National Telecommunications and Information Administration (NTIA), located within the Department of Commerce; it is the Executive Branch agency that is principally responsible by law for advising the President on telecommunications and information policy issues. NTIA's programs and policymaking focus largely on expanding broadband internet access and adoption in America, expanding the use of spectrum by all users, and ensuring that the internet remains an engine for continued innovation and economic growth.

Once designed and enacted, this network will allow emergency first responders to have access to the sort of

technology that many Americans use each day and often take for granted. Currently a smartphone has "more advanced communications capability than a police officer or deputy carrying a radio." Smart phones would allow police, fire, and EMS officials to reach one another on devices supporting mission-critical voice and data capabilities, allowing them to more efficiently complete their jobs.

In times of disaster, commercial networks are the first to fail. The nationwide public safety grade network will be built to a higher public safety standard, utilizing a hardened system which will withstand the type of forces in Hurricane Katrina, tornados in Parkersburg, IA, Joplin, Mo and Tupelo, AL.

**Story County Sheriff's Office works closely
with Story County Crime Stoppers**

Story County residents now have a tool to keep their communities safe and help law enforcement solve crimes. Story County Crime Stoppers have a telephone line and online service to solicit anonymous tips. Crime Stoppers is a national organization that offers cash rewards for information that helps lead to an arrest and conviction in a case. The community run board operates the Crime Stoppers program with full cooperation of all law enforcement agencies in Story County. The phone line is answered 24-7 and tips can also be made online or by text message. All tips will remain anonymous.

Crimes Stoppers is a non-profit organization and is maintained by donations.

TO DONATE, you can go online at
www.storycountycs.com

or

donations can be mailed to

Story County Crime Stoppers, P.O. Box 444, Ames, IA 50010-0444
